Happy Birthday John Kraus!

Ordinarily we don't pay much attention to birthdays in this newsletter but this is a very special one. John, our first Commodore, will be 100 years old February 5. Thank you John for your long time service to our club and to the Friends of Oasis. Also, for being my mentor some years ago.

From the Editor

Greg Roosevelt
Vice Commodore

Happy New Year and I hope you had a wonderful Holiday Season. The Holiday Party was a huge success and along with the 22-35 knot winds we experienced periodically in December, who could ask for more for getting in the spirit.

2017 was a great year for the Oasis Sailing Club. Our members and guests had over 2400 sailing experiences. That adds up to a lot of fun and hopefully also contributed to keeping us all a little bit younger. January has provided excellent weather and sailing conditions. We could use some rain and in the meantime, we may as well enjoy things while they last. Our boats are in great condition and being cleaned and maintained on an ongoing basis. I hope you will take advantage of the opportunity to get out on the water and enjoy our sport throughout the winter months while the rest of the country appears to be in a deep freeze.

All the Best for a Happy and Healthy 2018

Shortly we will be in the election cycle for our new fiscal year which begins on July 1st. that typically brings changes in our leadership and the people who drive the day to day operations and activities of our club. We follow a corporate style or-

ganization model with Committee Chairs supported by other members to perform the various needed functions that keep us running. If you have time to volunteer and have skills related to finance, accounting, communications, secretarial, administration, managerial, boat maintenance, information technology, or any experience that you feel could be of assistance, please let us know. You can contact any of the officers, or committee chairs directly and if you're not sure how your skills and experience might be best utilized, just contact Greg Roosevelt at oscvicemdr@oasissailingclub.org.

Along those same lines, after 4 years Susan Volas has decided to step down as Apparel Chair. Anyone who has attended one of our meetings knows that Susan has down a fabulous job and provided a high degree of entertainment in the process. She will be a tough act to follow. If you're interested in taking over this important position, please let us know.
